FACTUAL ALLEGATIONS COMMON TO ALL COUNTS

8. On February 3, 2021, at around 11:55 p.m., Defendant Spasov was driving a 2005 Freightliner tractor and pulling a trailer in Kansas City, Jackson County, Missouri. Defendant Spasov was driving southbound on Interstate 29 toward the interchange with Interstate 70 and Interstate 35. As Defendant Spasov approached the interchange, he was driving in the far-right lane and appeared to be heading onto westbound Interstate 35.

9. At approximately the same time, Plaintiff was driving a 2015 Freightliner flatbed truck southbound on Interstate 29 toward the interchange with Interstate 70 and Interstate 35. As Plaintiff approached the interchange, he was driving in the lane left of Defendant Spasov and intended to head onto westbound Interstate 35.

10. As both trucks passed the interchange, Defendant Spasov suddenly, violently, and without warning changed lanes to head southbound onto Interstate 70. As Defendant Spasov changed lanes, he collided with the passenger side of Plaintiff's truck near the rear wheel. The impact caused Plaintiff's truck to spin in front of Defendant Spasov's truck. Plaintiff's truck collided with the jersey barrier on the north side of Interstate 35 and spun so that it was facing east when it stopped moving.

11. These above-referenced events are hereinafter referred to in this Petition as the "Collision."

12. In the collision, Plaintiff's body was violently thrown about the interior of his truck's driver compartment.

13. Upon information and belief, at the time of the collision Defendant Spasov was

distracted and was not being attentive to the vehicles around him, his location, or his intended path of travel.

14. Upon information and belief, Defendant Spasov was driving at a speed too fast for the conditions.

15. Defendant Spasov's driving prior to and at the time of the collision constituted reckless driving.

16. Upon information and belief, at the time of the collision, Defendant Spasov was serving as an agent/employee/driver of Defendant Penmark. Upon information and belief, at the time of the collision, Defendant Spasov was driving the above-described tractor-trailer in the course and scope of his employment with Defendant Penmark.

17. At all times relevant herein, Defendant Spasov had the duty to operate the tractor-trailer with the highest degree of care, skill, and prudence.

18. As a direct and proximate result of the collision, Plaintiff suffered injuries, damages, and physical and mental pain and anguish and will continue to suffer the same into the future. Specifically, Plaintiff suffered injuries and damage to his left shoulder, left knee, right hand, and neck.

19. The injuries Plaintiff sustained as a direct and proximate result of the collision required medical treatment, and Plaintiff will continue to require medical treatment to cure and alleviate the symptoms and problems that he now experiences, which are likewise a direct and proximate result of the collision.

20. As a direct and proximate result of the collision, Plaintiff incurred medical expenses to treat, cure, and alleviate the symptoms and problems that he now experiences as a result of the collision; and he will continue to incur medical expenses as his treatment progresses

to treat, cure and alleviate the aforesaid symptoms and problems that he will experience in the future as a result of the collision.

21. As a direct and proximate result of the collision, Plaintiff suffered past lost wages, lost revenue, and lost profits and will continue to suffer future lost wages, lost revenue, and lost profits into the future.

22. As a direct and proximate result of the collision, Plaintiff suffered a loss of income-earning capacity, and this will continue into the future.

23. As a direct and proximate result of the collision, Plaintiff suffered consequential damages.

24. At all times material hereto, Defendant Penmark was a “motor carrier” and “employer” of drivers of “commercial motor vehicles” as these terms are used and defined in the United States Federal Motor Carrier Safety Regulations and is subject to such rules and regulations as promulgated and codified within 49 CFR Parts 390, *et seq.*

25. At all times material hereto, the State of Missouri has adopted the United States Federal Motor Carrier Safety Regulations as standards and laws of the state pursuant to § 390.201, R.S.Mo.

26. At all times material hereto, the subject tractor-trailer driven by Defendant Spasov on the date of the collision was a “commercial motor vehicle” under 49 C.F.R. § 390.5 and was operated under the motor carrier authority of Defendant Penmark. 27. At all times material hereto, Defendant Spasov operated the subject tractor-trailer; with the knowledge, consent, and permission of Defendant Penmark.

28. Upon information and belief, at all times material hereto, the tractor-trailer was owned by or leased, in whole or in part, to Defendant Penmark, who had the exclusive rights to possess, control, and use of the subject tractor-trailer.

29. The collision and the injuries and damages caused thereby to Plaintiff were reasonably foreseeable consequences of the breaches of duties of Defendants set forth herein.

Directions to Officer Making Return on Service of Summons

A copy of the summons and petition must be served on each defendant/respondent. If any defendant/respondent refuses to receive the copy of the summons and petition when offered, the return shall be prepared accordingly so as to show the offer of the officer to deliver the summons and petition and the defendant's/respondent's refusal to receive the same.

Service shall be made: (1) On Individual. On an individual, including an infant or incompetent person not having a legally appointed guardian, by delivering a copy of the summons and petition personally to the individual or by leaving a copy of the summons and petition at the individual's dwelling house or usual place of abode with some person at least 18 years of age residing therein, or by delivering a copy of the summons and petition to an agent authorized by appointment or required by law to receive service of process; (2) On Guardian. On an infant or incompetent person who has a legally appointed guardian, by delivering a copy of the summons and petition to the guardian personally; (3) On Corporation, Partnership or Other Unincorporated Association. On a corporation, partnership or unincorporated association, by delivering a copy of the summons and petition to an officer, partner, or managing or general agent, or by leaving the copies at any business office of the defendant/respondent with the person having charge thereof or by delivering copies to its registered agent or to any other agent authorized by appointment or required by law to receive service of process; (4) On Public or Quasi-Public Corporation or Body. Upon a public, municipal, governmental or quasi-public corporation or body in the case of a county, to the mayor or city clerk or city attorney in the case of a city, to the chief executive officer in the case of any public, municipal, governmental, or quasi-public corporation or body or to any person otherwise lawfully so designated.

Service may be made by an officer or deputy authorized by law to serve process in civil actions within the state or territory where such service is made.

Service may be made in any state or territory of the United States. If served in a territory, substitute the word "territory" for the word "state."

The officer making the service must swear an affidavit before the clerk, deputy clerk, or judge of the court of which the person is an officer or other person authorized to administer oaths. This affidavit must state the time, place, and manner of service, the official character of the affiant, and the affiant's authority to serve process in civil actions within the state or territory where service is made.

Service must not be made less than 10 days nor more than 30 days from the date the defendant/respondent is to appear in court. The return should be made promptly and in any event so that it will reach the Missouri Court within 30 days after service.

SUMMONS/GARNISHMENT SERVICE PACKETS ATTORNEY INFORMATION

Under the Missouri e-filing system now utilized by the 16th Judicial Circuit Court, once a case has been accepted for filing, a clerk prepares the necessary documents for service. The summons/garnishment is sent to the attorney by an e-mail containing a link so that the filer may print and deliver the summons/garnishment, pleadings and any other necessary documents to the person designated to serve the documents.

Pursuant to State statutes, Supreme Court Rules and Local Court Rules, attorneys are required to print, attach and serve specific documents with certain types of Petitions and other filings.

Please refer to the Court's website for instructions on how to assemble the service packets at:

16thcircuit.org → Electronic Filing Information → Required Documents for Service – eFiled cases → Summons/Garnishment Service Packet Information.

Please review this information periodically, as revisions are frequently made. Thank you.
